Completion: TBD

华润医药集团有限公司 China Resources Medication Group Ltd

大兴生物医药产业基地总体规划 Daxing Biomedical Park Master Plan

北京,中国 *Beijing, China*

华润医药是世界五百强企业之一, 主要经营范围包括食品、饮料、零售、石油、房地产和医疗行业。最近的收购交易, 将华润医药集团定位到中国生物医药行业的最高位置。HDR 正在为华润医药提供规划和设计服务, 以对最近在北京大兴区收购的约74万平米未开发用地上的数家公司进行整合。

整合后的场地将围绕技术创新中心, 集传统中药、制药、生物制药和医疗诊断设备的研发与加工于一体。这些规划好的尖端设施旨在将华润打造成一家全球诊断设施与医药供应商。

China Resources is among the Fortune 500 companies in the world with businesses in food, beverage, retail, petroleum, real estate and healthcare. Recent acquisitions have positioned China Resources Medication Group near the top of the biomedical industry in China HDR is providing planning and design services to assemble the recently acquired companies in approximately 740,000 m² on a greenfield site in the Daxing district of Beijing.

The integrated site will include R&D and manufacturing for traditional Chinese medicines, pharmaceuticals, bio-pharmaceuticals and medical diagnostic equipment and will be anchored around a Technology Innovation Center. The planned state of the art facilities are aimed at establishing China Resources prominence as a global provider of diagnostic equipment and medicines.
