

SOFTWARE LICENSE AGREEMENT

BY ACCEPTING THIS SOFTWARE LICENSE AGREEMENT (THIS “AGREEMENT”) AND/OR DOWNLOADING THE SOFTWARE, THE USER (“RECIPIENT”) AGREES TO BE BOUND BY THE FOLLOWING TERMS AND CONDITIONS. IF RECIPIENT DOES NOT AGREE TO THESE TERMS AND CONDITIONS, THEN USE OF THE SOFTWARE IS PROHIBITED.

1. Definitions

"Contribution" means:

- a. in the case of HDR Engineering, Inc. ("HDR"), the Original Software, and
- b. in the case of each Contributor, changes to the Software and additions to the Software where such changes and/or additions to the Software originate from and are distributed by that particular Contributor.

"Contributor" means HDR and any other person or entity that distributes the Software.

"Licensed Patents" mean patent claims licensable by a Contributor which are necessarily infringed by the use or sale of its Contribution alone or when combined with the Software.

"Original Software" means the original version of the Software accompanying this Agreement as released by HDR, including source code, object code and documentation, if any.

"Recipient" means anyone who receives the Software under this Agreement, including all Contributors.

"Software" means the Original Software and Contributions.

2. Grant of License

- a. Subject to the terms and conditions of this Agreement, each Contributor hereby grants Recipient a perpetual, worldwide, non-exclusive, no-charge, royalty-free, and irrevocable copyright license to use, reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute the Contribution of such Contributor, if any, and such derivative works, in source code and object code form.
- b. Subject to the terms and conditions of this Agreement, each Contributor hereby grants Recipient a non-exclusive, worldwide, and royalty-free patent license under Licensed Patents to make, use, sell, offer to sell, import and otherwise transfer the Contribution of such Contributor, if any, in source code and object code form. This patent license shall apply to the combination of the Contribution and the Software if, at the time the Contribution is added by the Contributor, such addition of the Contribution causes such combination to be covered by the Licensed Patents. The patent license shall not apply to any other combinations which include the Contribution. No hardware is licensed hereunder. If Recipient institutes patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Software or a Contribution incorporated therein constitutes direct or contributory patent infringement, then any patent licenses granted to

Recipient under this Agreement shall terminate as of the date such litigation is filed.

- c. Recipient expressly acknowledges and agrees that although HDR and each Contributor grant the licenses set forth herein, no assurances are provided by HDR or any Contributor that the Software does not infringe the patent or other intellectual property rights of any other entity. HDR and each Contributor disclaim any liability to Recipient for claims brought by any other entity based on infringement of intellectual property rights or otherwise. As a condition to exercising the rights and licenses granted hereunder, Recipient hereby assumes sole responsibility to secure any other intellectual property rights needed, if any.

3. Distribution

A Contributor may choose to distribute the Software in object code form under its own license agreement, provided that:

- a. it complies with the terms and conditions of this Agreement; and
- b. its license agreement:
 - i. effectively disclaims on behalf of all Contributors all warranties and conditions, express and implied, including warranties or conditions of title and non-infringement, and implied warranties or conditions of merchantability and fitness for a particular purpose;
 - ii. effectively excludes on behalf of all Contributors all liability for damages, including direct, indirect, special, incidental and consequential damages;
 - iii. states that any provisions which differ from this Agreement are offered by that Contributor alone and not by any other party and such Contributor hereby agrees to indemnify, defend and hold HDR and every other Contributor harmless for any liability incurred by or claims asserted against HDR or the other Contributors by reason of any such differing terms; and
 - iv. provides that source code for the Software is available from such Contributor, and informs licensees how to obtain it in a reasonable manner.

When the Software is made available in source code form:

- a. it must be made available under this Agreement; and
- b. a copy of this Agreement must be included with each copy of the Software.

4. Trademarks

This Agreement does not grant permission to use the trade names, trademarks, service marks, or product names of HDR, except as required for reasonable and customary use in describing the origin of the Software.

5. Limitation of Liability

IN NO EVENT AND UNDER NO LEGAL THEORY, WHETHER IN TORT (INCLUDING NEGLIGENCE), CONTRACT, OR OTHERWISE, UNLESS REQUIRED BY APPLICABLE LAW, SHALL ANY CONTRIBUTOR BE LIABLE TO RECIPIENT FOR DAMAGES, INCLUDING ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER ARISING AS A RESULT OF THIS AGREEMENT OR OUT OF THE USE OR INABILITY TO USE THE CONTRIBUTION (INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER COMMERCIAL DAMAGES OR LOSSES), EVEN IF SUCH CONTRIBUTOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6. Disclaimer of Warranty

THE SOFTWARE IS PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES, SUPPORT, OR CONDITIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR CONDITIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, PERFORMANCE, OR FITNESS FOR A PARTICULAR PURPOSE. Recipient is solely responsible for determining the appropriateness of using and distributing the Software and assumes all risks associated with its exercise of rights under this Agreement, including but not limited to the risks and costs of Software errors, compliance with applicable laws, damage to or loss of data, programs or equipment, and unavailability or interruption of operations. Recipient expressly acknowledges and agrees that use of the Software, or any portion thereof, and reliance on any output, deliverable, data, or model produced or created through the use of the Software is at Recipient's sole and absolute risk.

7. Versions of the Agreement.

HDR may publish revised and/or new versions of this Agreement from time to time. Each version will be given a distinguishing version date. Once Software has been published under a particular version of this Agreement, Recipient may continue to use it under the terms of that version. Recipient may also choose to use such Software under the terms of any subsequent version of this Agreement published by HDR. No one other than HDR has the right to modify the terms applicable to Software created under this Agreement.

8. GENERAL

This Agreement represents the complete agreement concerning the subject matter hereof. If any provision of this Agreement is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable. Any law or regulation which provides that the language of a contract shall be construed against the drafter shall not be used to construe this Agreement against a Contributor.

This Agreement shall be governed by the laws of the State of Nebraska and any litigation relating to this Agreement shall be subject to the jurisdiction of courts located in the State of Nebraska.

Recipient agree that Recipient alone is responsible for compliance with the United States export administration regulations (and the export control laws and regulation of any other countries) when Recipient uses, distributes or otherwise makes available any Software.

This Agreement will not be construed as creating an agency, partnership, joint venture or any other form of legal association between or among Recipient, HDR, or any Contributor, and Recipient will not

represent to the contrary, whether expressly, by implication, appearance or otherwise.
